

*Under 18 winners Enoch/Bethune.*

By far the most popular event was the mixed K2 where the most popular crew were Keith Moule in a Batman mask and Fay Lamph wearing a short Robin cape. The first four boats through the bottom portage were Russell/Dilai, Moule/Lamph, Matthew and Melissa Johnson who capsized in the process and Petersen/Freeman. The Johnsons managed to pull up a place and these four crews finished with a four second spread, certainly the most entertaining and enjoyable race of the championships.

The winning club was hosts Norwich, their points, like

*Moule and Stroud, third K2.*

*Peters and Guest, second placed.*
